Objective

I'm a third-year computer science major and a finance minor student at BITS Pilani, Dubai Campus. I'm an aspiring coder, good at data analysis, passionate about exploring and learning new computer languages, and iOS app developer with a good grip on UI/UX designing. 2019 Apple Inc. WWDC Scholar. Also, an aspiring freelancer in marketing and finance related activities.

Experience

Scholar | JUNE 2019

Apple Inc. San Jose, California.

- Designed a swift playground. Got selected among the top 350 scholars to attend the WWDC 2019 with an all-expense paid trip.
- Attended labs and sessions held by the Apple engineers and got to network with fellow developers.

Video Artist | OCTOBER 2018 - NOVEMBER 2018

IB Cricket, Dubai

- Shot an advertisement with the professional cricket team of Bengal tigers of T10 league which took place in Dubai
- Players included: Sunil Naraine, Jason Roy, Stephen Fleming, Kevon Cooper and others.

Intern | JUNE 2017 - AUGUST 2017

Nishith Enterprise, Ahmedabad, India

- Collected and revised the database using SQL and Microsoft office to improve accessibility the ease of data retrieval at the firm.

Education
